It is used in nail care applications.

### TYPE OF PACKING

Plastic packaging made of HDPE material.

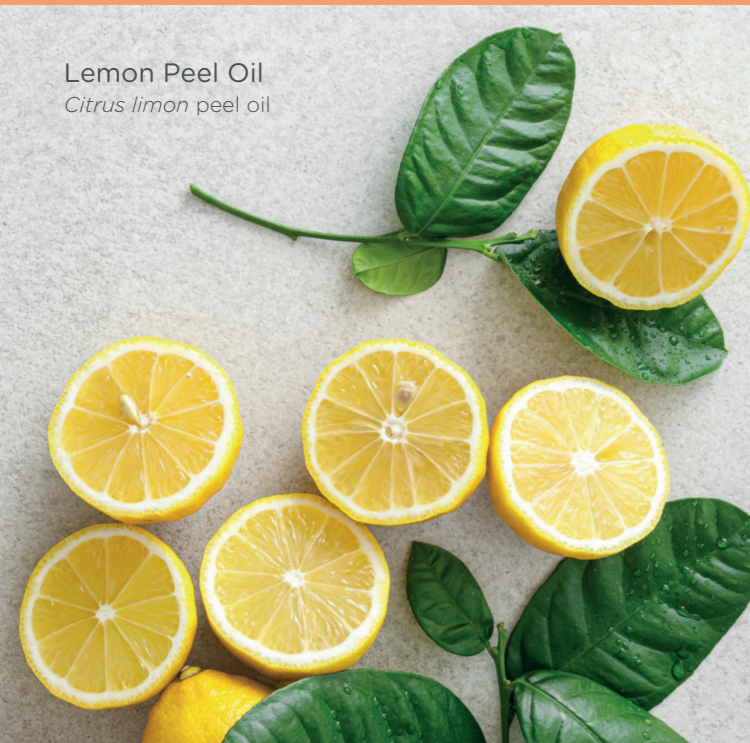

TYPES OF PACKING

1Kg.

5Kg.

20Kg.

Lemon Peel Oil  
*Citrus limon* peel oil

## PRODUCT DESCRIPTION

Weak and brittle nails can be caused by various factors. For instance, nutritional deficiencies, frequent contact with water and exposure to chemicals can all affect nail health. In such cases, natural oils can be an effective solution for strengthening and moisturising the nails. Used regularly, natural oils can help strengthen nails, reduce breakage and nourish the cuticle.

## KEY INGREDIENT

**Lemon Peel Oil**  
*Citrus limon* peel oil

It is a natural nail strengthener and has a supportive effect on the healing of damaged and peeling nails. It is rich in antioxidants that nourish and protect the cuticles.

**Jojoba Oil**

*Simmondsia chinensis* seed oil

By moisturising and strengthening the nails, it supports their durability. It helps prevent nail breakage and peeling, resulting in stronger, healthier nails.

**Tea Tree Oil**  
*Melaleuca alternifolia* oil

It supports the reduction of nail yellowing. It has a supportive effect on softening dry cuticles, strengthening nails, and preventing breakage.

**Sweet Almond Oil**  
*Prunus amygdalus* oil

It has a helpful effect on healing and moisturising damaged cuticles. It supports the reduction of nail brittleness and prevents peeling.

**Lavender (English Lavender) Oil**  
*Lavandula angustifolia* oil

It has moisturising properties that nourish dry cuticles and regenerate lifeless nails. Helps prevent damage to brittle nails.
